## Adding Spins

**You will need:**

2 spinners

pencils

scoring sheets

Game 1	Pat	Terry
Spin 1		
Spin 2		
Spin 3		
Sum		

Make two spinners like the ones shown. Then make score sheets like the one shown.

- 1 Player 1 spins each spinner two times to get 2 two-digit numbers. Player 1 finds the sum of the numbers and writes it on the score card. Player 2 takes a turn.
- 2 Each player takes three turns. Players add the three sums. The player with the greatest sum wins the set.
- 3 The player who wins two sets out of three wins the game.
