

PROGRAM/CURRICULUM

<u>Title</u>	<u>Author/Publisher</u>	<u>Year</u>	<u>Grade</u>	<u>Subject/Course</u>	<u>Rationale</u>
Chemistry Textbook Adoption	Zumdahl	2018	Grs. 11-12	AP Chemistry	The College Board audit requires that we certify that we update textbooks every 10 yrs. The Zumdahl textbook and online platform bring much familiarity and success with it, as the teachers have been using an older version for the past 18 yrs.
Introduction to Health Care and Careers	Roxann DeLaet/ Wolfers Kluwer	2012	Grs. 10-12	Science	Dynamics of the Health Care System course will run for the first time during the 18-19 school yr. This course is the 1 st course in the Health Sciences pathway, is the one required course in the Rutgers University School of Health Professions Health Science Careers Program.
Albert.io – AP Economics Practice	Learn by Doing	2018	Grs. 11-12	AP Economics	Albert is a software program/app for AP Economics. It is a subscription resource that in addition to providing specific questions related to the major topics of both macro and micro economics, also provides the teachers with up to date data on students performance in various areas of economics and with specific concepts, thereby

allowing the teachers to focus their instruction on the individual needs of students.

Spanish Readers

Grs, 9-12

Spanish 2 CP
Spanish 3 CP

These are new student readers that are being used for Spanish 2 and 3 CP in our revised curriculum.
