Garden Array: _____

Explore My Garden

I have planted flowers and vegetables in my backyard. See how I created arrays out of the planter boxes!

Marigolds

Garden Array: _____

Garden Array: _____

Daisies

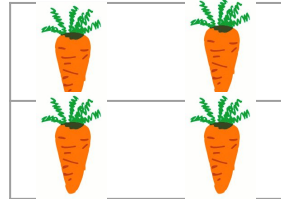

Garden Array: _____

Tomatoes

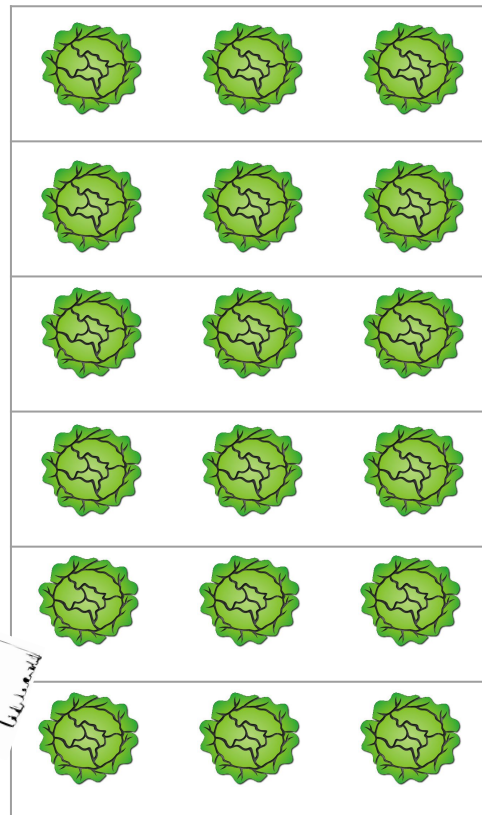

Watermelon

Garden Array: _____

Carrots

Garden Array: _____

Lettuce

Garden Array: _____

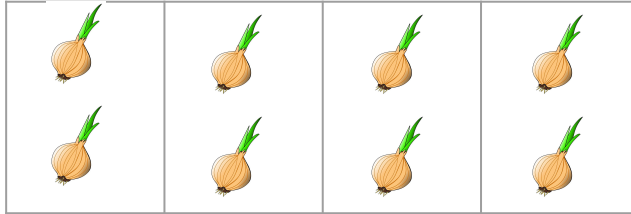

Create Your Own Garden

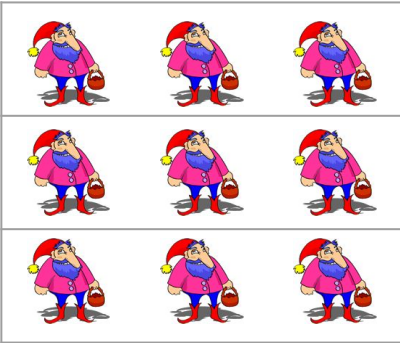

Create a garden of different flowers or vegetables. Create planter boxes to represent arrays. Label the type of flower/vegetable as well as the array.

Show the Sum

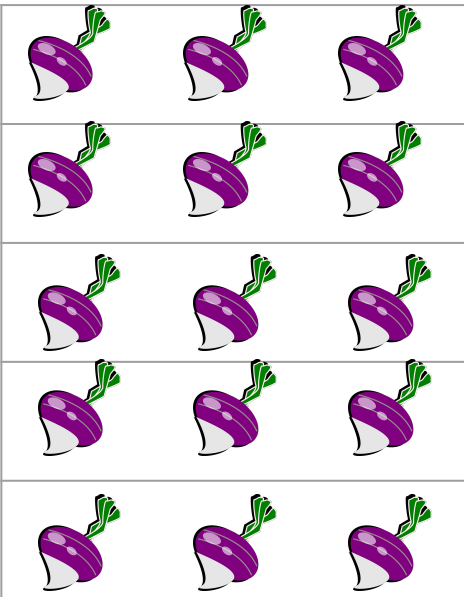

Write the equation that represents the sum of the array.

Garden Array Sum: $2 + 2 + 2 + 2 = 8$

Garden Array Sum: _____

Garden Array Sum: _____

Garden Array Sum: _____
